

NOOK COLOR

Why we like it - Selling Points

Beautiful full color touchscreen.

Backlit for easy reading at night and low light situations, no need for a light on or book light!

Enjoyable web surfing, touchscreen makes it easy to check your email, read your favorite blog or check the Niederkorn Library or EasiCat website!

Some of your favorite Apps available (Angry Birds)!

Works with Overdrive for access to the library's collection of ebooks.

Pros & Cons

Pros:

- ✿ Full Color Touch Screen; Ideal for viewing your favorite magazines, newspapers, children's books, cookbooks etc.
- ✿ Plays videos smoothly.
- ✿ Read and enjoy enhanced Nook Books; ebooks with text, video and audio all in one!
- ✿ Backlit for easy night reading with adjustable brightness.
- ✿ Adjustable font size, type, spacing and background color.
- ✿ Storage capacity of up to 5000 ebooks with expandable memory.
- ✿ Get popular Apps...like Angry Birds, local weather, and more!
- ✿ Browse the real web, send and receive emails.
- ✿ Lend certain books for 14 days with the LendMe Feature.
- ✿ Play your own music or stream Pandora Internet Radio.
- ✿ Read to Me Feature makes children's books come alive.
- ✿ Customize your homepage, bookshelves and wallpaper.

Cons:

- ✿ Short battery life (approximately 8 hours).
- ✿ Must have a screen protector to keep screen free of finger prints and, most importantly, to help reduce glare (which causes poor visibility is bright lighting).
- ✿ LCD screen causes eye strain in some people.
- ✿ High price: \$249.
- ✿ Heavier to hold compared to most ebook readers.
- ✿ Touch screen can be overly sensitive, no mechanical page turning.
- ✿ No text to speech feature.
