

W.J. Niederkorn Library Storytime Guidelines

Our storytimes offer an early literacy experience for children and their caregivers to help instill an early love of reading. Storytimes include engaging stories, movement, hands-on activities, and music all during a group setting. In order to provide a safe, meaningful, and enjoyable program, we have the following guidelines:

- 1) Please limit use of personal devices (phones, tablets, etc.) to help model and encourage participation and attentiveness.
- 2) Photos and videos may be taken by library staff during the program. If you do not want these to be used in library promotional material, please speak to a staff member.

Thank you in advance for your cooperation. Library staff are available to answer any further questions.
